The Second Chance Foundation extends tax filing and calculations support improving taxation awareness

Scarborough – Throughout February 27, 2025 to May 1, 2025, The Second Chance Foundation (TSCF) offers tax filing support at their main office, as well as Canadian Mental Health Association (CMHA) and Pathways locations. Volunteers, students and experienced professionals are providing knowledge and assistance required and enable informed and accurate tax filing and tax calculations decisions.

Legal economic practices, adherence and maintained aligning to fair and transparent tax policies enable support for informed and safe economic decision making. Therefore, it is important that individuals and communities are informed about their responsibilities and legal obligations as well as benefits that they are to gain in the form of refunds and tax credits.

In 2025, The Second Chance Foundation (TSCF) along with other community service organizations are expecting to process around 1,800 tax filings doubling from the previous year.

Locations extend from The Second Chance Foundation's (TSCF) Main Office and Training and Recreational Programs Centre (3171 Eglinton Ave. East, Scarborough, Ontario, M1J 2G8) to Canadian Mental Health Association (CMHA) (90-2700 Dufferin St., Toronto, Ontario, M6B 4J3) and to Pathways (25 Neilson Rd., Scarborough, Ontario, M1E 5E1).
